GRAB N GO MEALS

FREE MEALS FOR ALL CHILDREN 18 & UNDER

The Newton Community School District will be implementing an emergency food program starting Monday, March 23rd. A curbside lunch & breakfast pick up with your child will be available at the **Newton Senior High & Berg Middle School** from 11:00 am -12:30 pm daily. (MONDAY-FRIDAY) (NO MEAL SERVICE APRIL 10TH) Parents do not need to be present if students are able to pick up the food items themselves. The free lunch and breakfast is being provided for all children 18 & under. Our plan is to provide this service Monday through Friday while school is not in session. We will continue to monitor and assess this need as we respond to the COVID-19 Pandemic.

What to Know:

- Food is to be taken and eaten off of school grounds at the time of pick up
- **PLEASE REFRIGERATE MEAL IF YOU WILL NOT BE EATING AT TIME OF PICK UP**
- Staff will just be passing out the meals for the number of students in your vehicle.
- Students and parents are not allowed inside the building during this time to honor the need for social distancing.
